## Reminders

As we are at the start of another school year please could we take this opportunity to remind you of a few points: Children **MUST NOT** bring mobile telephones in to school.

Please could you ensure that you check your child's hair regularly for head lice and treat as required.

If your child has diarrhoea or vomiting please remember that for infection control reasons they are not allowed back to school for 48 hours after the last episode.

Thank-you all for your help and support on these matters.
